

# 16.216: ECE Application Programming

Fall 2014

## Lecture 1: Key Questions

September 3, 2014

1. Describe the key components of the basic C program shown below. What is the output of this program?

```
#include <stdio.h>
int main()
{
    printf("Hello World!\n");
    return 0;
}
```
